J3.L.P0017
500
10

Title: Photographer

Background

You are a photographer and you want to introduce your gallery to everyone in the internet !

Complete this assignment to know how to start ☺

Reference site: <http://us-123photo.simplesite.com/>

Program Specifications

Program a web site to introduce your picture gallery, detail functions of this website is described below

Features:

This website contains 3 main functions

- Function 1 : Home page : (see PIC 01)
 - o Display introduction entry and short description of 3 galleries (
 - o Each product contains
 - Entry name
 - Description picture
 - Entry description
- Function 2 : Display detail of each gallery (PIC 02)
 - o Support slideshow when click to play button
 - o Print out detail services
- Function 3 : Contact (PIC 03)
 - o Display address (load from DB)

You do not need to write interface for admin control panel, you can add data manually (use SQL SERVER Management studio).

Note: All data or gallery images must be load from database or specific folder, not hard code in page.

Expectation of User interface:

Pic 01 : Home Page
